

LDE Success Stories

June 2021

Dear Partners,

Dear Customers,

Dear Future Gulf Explorers,

Welcome to our Summer edition of Success Stories!

We are delighted to present in this email our Successes completed in June:

- Our new LDE Client, D'Aucy from France, a producer of quality canned food.
- New Franchise Office in Canada, in cooperation with Olivier Perrin, our new LDE Director based in Montreal.
- Interesting success for our LDE Client "Painting with Light": we have been awarded for Exterior lighting design of a Theme Park in Qatar.

Enjoy reading about our new Successes!

New Client in LDE portfolio!

We are delighted to announce the company D'Aucy from France became our new Client.

D'Aucy is an agricultural company, involved in producing canned food, frozen vegetables and ready meals.

Our aim is to develop Market Potential in Saudi Arabia within mission #3, which means we prepare the practical market study of the targeted country, based on our knowledge and experience on the market and experts' opinions.

We open new borders

PROFESSIONAL PRACTICAL PROACTIVE PASSIONATE

LD EXPORT is proud to announce the opening of its new office in Montreal Canada. Olivier Perrin, with many years of experience in the consulting business, will present our LD Export services in his market.

Let us all wish him the best in his new and successful challenge.

Another new office of LDE Franchise! This time in Canada!

Another MAJOR step for LD Export,

After France - Holland and Russia, ...Canada!

It is our pleasure to announce the opening of our next Franchise in Canada (Montreal). Let's welcome Olivier in our team. French expat in Canada for the last 15 years with amazing experience in B2B. His clear, practical and straight approach will match with our vision!

Let's wish him the best in his new Challenge with us.

New contract for our Client Painting with Light!

In June we have also finalized an important project for our Belgian Client Painting with Light - design & multimedia expert that creates stories by combination of lights, videos, architecture and special effects.

Thanks to our follow-up and visits to the United Arab Emirates, we have developed relationship with international company specialized in building theme parks.

The project is about Exterior Special Lighting Design for Theme Park, with focus on Facade Lighting Design. The project location is in Qatar. Painting with
